## **HOW DO YOU FEEL ABOUT WHERE YOU LIVE?**

Towns need to hear about what it's like to live in your community while aging, with dementia, with a disability, or while acting as a care partner with someone who is.

### Join our **Community Leaders Fellowship**

- Learn leadership skills and shape policy about making more livable places.
- Share stories about what works well now and what feels hard.
- Participate in three, 90-minute online conversations: March, April, and May.
- Get paid \$100 for participating in all three conversations!
- Receive meals during meeting times (via DoorDash gift cards).
